Re: Berry's Creek Study Area – Requests for Information

Dear Mr. Monroe:

This firm represents US Printing Ink ("USPI") regarding the above-referenced matter.

I write to confirm that, per our conversation of December 12, 2002, you have granted USPI an extension until January 24, 2003 to respond to the Request for Information.

Additionally, I renew my earlier request that you provide me with any and all documents that have formed the basis of EPA's issuance of the Request for Information to USPI.

Thank you for your courtesies.

Sincerely yours,

Ingrid D. Johnson
